MEMO ENDORSED

Dear Honorable Judge:

We represent the plaintiff in the above referenced matter, which was discontinued in March 2008 pursuant to a settlement agreement entered into by and between the parties. While defendant CSAV has fully complied with its obligations under the settlement agreement, defendant G&G International, Inc. has defaulted in its obligation to remit its final payment of \$5,000, which was due and payable on May 15, 2008. Due to the small amount involved we attempted to resolve the matter amicably and as recently as late June we were informed that "the check was in the mail." Unfortunately, it proved not to be so.

We respectfully request that Your Honor consent to the having this matter re-opened in order that we may seek the entry of a default judgment against G&G International, Inc. for the amount due and owing \$5,000, plus interest that has accumulated, the costs we incur to enforce the settlement agreement, and attorneys fees.

We thank the Court for its consideration of this request.

The case was terminated by a voluntary dismissal and the settlement agreement's terms were not incorporated into a court order. Accordingly, the foregoing request to reopen to enforce the provisions of the settlement agreement is denied.

Very truly yours,
